Independence Day Word Search

WHILE YOU ARE WORKING ON THE WORD SEARCH PUZZLES READ THESE FUN FACTS
AND QUIZ THOSE AROUND YOU TO LEARN MORE ABOUT THE U.S.A. HAVE FUN!

FUN FACTS:

INDEPENDENCE DAY is also referred to as Fourth of July.

The DECLARATION OF INDEPENDENCE was composed by Thomas Jefferson. When the Declaration of Independence was signed John Hancock (President of the Continental Congress) thought it would be funny to sign his name large enough so the King of England can read his name without his "spectacles."

On July 4, 1776, the United States claimed their FREEDOM from England. However, the Fourth of July did not become a Federal holiday until 1870.

The stars on the U.S. FLAG symbolize the 50 states in the nation.

Most of the time you will hear the United States national anthem which is the STAR-SPANGLED BANNER.

Approximately \$600 million dollars is spent on FIREWORKS each year.

How big is the wingspan of a BALD EAGLE? Typical bald eagle has a wingspan of 7 feet long.

The LIBERTY BELL was rung after the signing of the Declaration of Independence to symbolize freedom. The Liberty Bell weighs approximately 2,080 pounds.

The STATUE OF LIBERTY was a gift to the US by France and was sent by ship in 200 crates. The Statue of Liberty is made of copper and stands 305 feet tall.

We hope that you enjoyed the word search and that you can teach your parents about the importance of INDEPENDENCE DAY!
